### **SANDS' SUPPORT FOR SUNRAIL JOBS LATE TO THE STATION**

*~Minority Leader Against SunRail Before He Was For It~*

TALLAHASSEE, FL- Florida House Majority Leader Adam Hasner (R-Delray Beach) today issued the following remarks in response to a statement made earlier today by House Minority Leader Franklin Sands (D-Weston) on SunRail:

"Minority Leader Sands' newfound commitment to creating jobs is encouraging, but it is disappointing that he's just now realizing how important those jobs are for Floridians. When the House last voted on SunRail in 2008, Minority Leader Sands was one of 39 House members left at the station voting against Central Florida Commuter Rail.

"His complaints of the Legislature now not moving fast enough on the commuter rail issue should be taken for what they are: disingenuous partisan talking points. Floridians who are looking for those jobs right now deserve to know that Minority Leader Sands and his allies have been the ones working the hardest to derail commuter rail and the jobs it would mean for Floridians."
